Doug,

I received the attached document in the mail Friday. Is this something I need to attend on November 16? I don't care at all about these costs, so I am not going to oppose this. I note that on page 3 of the attachment, McGowan signs an affidavit dated 11/16/23, which is in the future. He is a slob. I further note there is no certificate of service, so I don't know when he sent this to me. Was I supposed to receive some notice period?

When do you anticipate filing my notice of appeal?

Thanks.
